

POLICE HAVE BEGUN THEIR ANNUAL COPS FOR A "CLAUS" CAMPAIGN

(November 2008 – Prosper)

The Prosper Police Department, in a combined effort with the Prosper Police Association, has launched its annual campaign for a good "Claus" this year to benefit less fortunate persons in and around Town. The Department's play on words in reference to Santa Claus hopes to attract support from the local area. The Department intends to purchase gift cards for area families or individuals who may not otherwise get a visit from Santa. Countless support was received from local and area businesses and residents in previous years and we will be asking for their continued support to make 2008's Holiday Season one for a very good "Claus". You are encouraged to contact this department with information about those in need, so that we may help them.

This is an excellent time for the Prosper community to come together for an outstanding "Claus". We would like to have all of the names by December the 12th.
