Development Services Remodel

Building Inspections staff worked diligently over the past month to remodel the Development Services front customer service area. The new layout provides staff greater space to interact with customers and provides a more professional environment. Beyond the front office, Building Inspections staff has put in many extra hours and a lot of hard work to make updates throughout the remainder of the Development Services building to improve its appearance and make the most out of the limited space.

PLANNING

2015 (Total) and 2016 (YTD) Submittals by Type

2015 (Total) and 2016 (YTD) Submittals Approved by P&Z

Single Family Lots Approved by P&Z

P&Z Action

The Planning & Zoning Commission acted on seventeen (17) Development applications in April 2016.

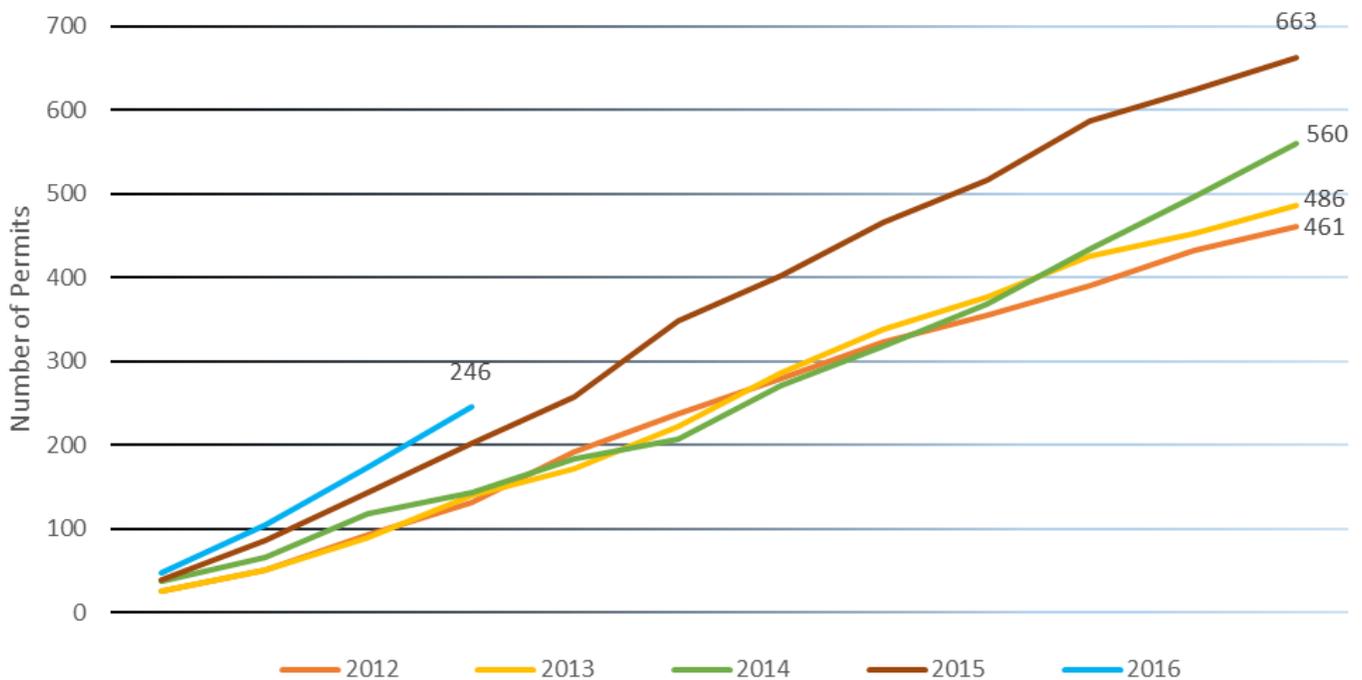

Ongoing Planning Projects

During 2016, Development Services will initiate or complete the following projects to meet the objectives of the Council's Strategic Goals and the Implementation section of the Comprehensive Plan:

- Update the Subdivision Ordinance
- Update nonresidential development standards
- Initiate Phase One Old Town Planning assessment study
- Reformat the Zoning Ordinance to improve ease of use
- Amend the Comprehensive Plan to provide an equivalency table between Zoning Districts and Future Land Use Designations
