## PROSPER FIRE DEPARTMENT FIREWORKS DISPLAY GUIDELINES AND SUBMITTAL REQUIREMENTS

A permit along with the following is required in order to promote or execute all commercial or consumer firework displays within the Town of Prosper:

- A site plan of the grounds where the display is to be held must be submitted and approved by the Fire Marshal.
- A copy of a pyrotechnic operator license issued by a State Fire Marshal's Office (Commercial only).
- A list of the fireworks to be used along with an MSDS for each (Commercial Only). Consumer Displays are restricted to ground devices containing 50mg or less of explosive composition and smoke devices classed as explosive 1.4G, firecrackers and small smoke bombs only.
- A certificate of insurance must be obtained for a minimum of \$1,000,000 bodily injury and \$500,000 property damage if the display is aerial in nature. Non-aerial displays must have a certificate of insurance for a minimum of \$500,000 bodily injury and \$300,000 property damage insurance. The Town of Prosper must be named as co-insured on the policy.
- A \$250 permit fee (check made out to The Town of Prosper) and permit application form from the Fire Marshal's office is required.
- A public display permit must be obtained from the State Fire Marshal's Office. (Commercial only). Or notarized letter on company letterhead indicating the Texas State Fire Marshal's office is not required to issue a permit.

All information must be submitted for aerial fireworks at least 21 days prior to scheduled event, and for flame effect, open flame performances, etc., at least 14 days prior to scheduled event, for review and approval. The public display must meet all State of Texas requirements as outlined Sec. 2154.206, Chapter 2154, Texas Occupations Code. This booklet is available from the Texas State Fire Marshal's Office.

The following expenses are the responsibility of the fireworks contractor or pyrotechnic operator (if required):

- \$250/hour for each engine, depending on circumstances. Two-hour minimum
- \$123/hour for each inspector required. Two-hour minimum
