

Cart Services

Progressive Waste Solutions (formerly IESI) services both trash and recycle carts weekly. Residents East of Highway 289 are serviced on Tuesday and residents West of Highway 289 are serviced on Friday. New service is set up by calling Utility Billing at 972-346-2640.

Each household is provided a **96 gallon trash cart** and a **65 gallon recycle cart**. All household waste must be placed in the 96 gallon cart provided to you by Progressive Waste, make sure the lid is tightly closed to keep trash from falling out and blowing into streets and yards. Progressive Waste uses automated service and can only pick up what is in the cart.

Please have trash & recycle carts out by 7am. Progressive Waste begins servicing routes at 7am and typically finish by 7pm. Carts are the property of Progressive Waste and should remain at the home if the resident moves. If you move please call Utility Billing at 972-346-2640 to stop service.

DO NOT PLACE HOT ASHES, LIQUIDS SUCH AS MOTOR OIL OR GREASE, OR HAZARDOUS MATERIALS SUCH AS CAR BATTERIES OR LEAD BASE PAINTS IN THE CART.

Keeping Prosper Clean

Residents in Prosper are concerned about loose trash and debris in neighborhoods. Please make sure to bag all trash and grass clippings/ yard waste within the trash cart so that loose items do not cause a mess on service days.
