The normal operating hours for the Animal Shelter are:

9a-6p Monday— Friday

10a-2p Saturday

Closed on Sundays and Holidays*

*We want all lost pets to be reunited with their owners as soon as possible. If you believe that your pet may be at the Shelter, please call 972/547-7292 and leave a message with your contact information. Someone will call you and let you know when you can come and look for your lost loved-one—even on Sundays and Holidays.

All of the lost/stray animals that enter our Shelter are photographed and their pictures are put up on the Collin County website, usually within 2 hours of arriving at the Shelter. To search for your pet on the website, go to www.collincountytx.gov and click on the "Directory" or "Departments" link. Under "Animal Services" you will then see a link to "View Stray/Lost Animals".

To Adopt a New Pet— The Collin County Shelter is a stray-hold Shelter ONLY. We currently partner with the SPCA of Texas. After the 5-day stray hold period is up, the SPCA takes all adoptable animals into their Shelters to ready them for adoption. To view adoptable animals that are waiting at the SPCA, go to

www.sPCA.org

The Collin County Animal Shelter is also a State-Approved Rabies Quarantine Facility.
