Other Material Type:	Lot Size:	Legal Subdivision Name:	Flood Zone:	RNumber:
Lot & Block:	Subdivision Impact:	Legal Description:		

Description: we would like to remove the current 6 ft fence from the areas noted in the attached survey, and replace it with an 8 ft fence. Additionally, we would like to move the fence towards the front of the house, approximately 20ft towards the front. It will remain 10ft back from the front edge of the house. Additionally, it will be the "good neighbor" fencing as required by the HOA. The idea is to capture a little bit more of our backyard, and put in a taller fence than what we have. We only plan to make changes on the noted areas of the attached survey.
