12th Annual Prosper **Spring** Cleanup

March 25, 2023 ■ 8:00 am - Noon

■ Electronic Waste

By bringing your electronics to be recycled, you are helping to reduce pollution, energy waste, and our reliance on new resources.

We accept household electronics including computers, CRT (cathode ray tube) monitors, televisions, printers, scanners, copiers, radios, CD players, VCRs, telephones (cellular, cordless and wireless).

This year, we are partnering with Goodwill Industries' Dell Reconnect program. Donate unwanted technology to Dell Reconnect and help protect the environment while supporting the Goodwill mission of putting people to work.
