

## Prosper Fire Department Fireworks Display Guidelines and Submittal Requirements

A completed permit application along with the following is required in order to promote or execute all commercial or consumer firework displays within the Town of Prosper:

- A site plan of the grounds where the display occurs must be submitted and approved by the Fire Marshal in PDF format
- A copy of a pyrotechnic operator license issued by a State Fire Marshal's Office (Commercial only)
- A list of the fireworks utilized in the display along with an MSDS for each (Commercial Only). Consumer Displays are restricted to ground devices containing 50mg or less of explosive composition and smoke devices classed as explosive 1.4G, firecrackers and small smoke bombs only.
- Provide a certificate of insurance for a minimum of \$1,000,000 bodily injury and \$500,000 property damage, if the display is aerial in nature. Non-aerial displays must have a certificate of insurance for a minimum of \$500,000 bodily injury and \$300,000 property damage insurance. Identify The Town of Prosper as co-insured on the policy.
- A \$250 permit fee (check made out to The Town of Prosper) and permit application form from the Fire Marshal's office is required. This permit is located on our web page at [www.prospertx.gov/fire-department/fire-marshal/](http://www.prospertx.gov/fire-department/fire-marshal/) under the "Fireworks Display and Hazardous Transportation Permit Application"
- If requesting a public display permit for 1.3G Explosives, include the State Fire Marshal's Office required permit (Commercial only).
- Alternatively, a notarized letter on company letterhead citing Texas Occupations Code, Chapter 2154, Regulation of Fireworks & Fireworks Displays utilizing 1.4G Explosive is exempt from the Texas State Fire Marshal's office requiring permit issuance.

We must receive all information for review and approval for aerial fireworks at least 21 days prior to the scheduled event. Review & approval for flame effect, open flame performances, etc., at least 14 days prior to the scheduled event. The public display must meet all State of Texas requirements as outlined in the Texas Occupations Code Sec. 2154.206, Chapter 2154. This booklet is available from the Texas State Fire Marshal's Office @ <http://www.tdi.texas.gov/fire/>

Email all applicable documents (as separate attachments in PDF format) for a "fireworks display" permit to [fire.inspections@prosperfire.com](mailto:fire.inspections@prosperfire.com)
