Mr. Ronnie Tucker
Fire Chief of Prosper OPA
PO Box 307
Prosper, Texas 75078

Place Code: Collin: 08601 Denton: 12201

Dear Mr. Tucker:

Insurance Services Office (ISO) has submitted a recommendation that extends your fire department response to an area outside the city limits. This area is considered an Outside Protected Area (OPA) and is limited to the area indicated on the map which accompanied the request. Please note this does not apply to the area within the city limits or the area covered by the Public Protection Classification (PPC). Currently, the area outlined in the OPA is unclassified.

Insurance Services Office is recommending the Public Protection Classification for the OPA be changed to a split Class 02/2X with an effective date of 06/01/2017. The recommendation is based on a review of your community performed on 09/26/2016 and does include application of the Texas Addendum.

With a split **Class 02/2X**, all class-rated properties located within 1000 feet of a fire hydrant or water supply suction point and within 5 miles of a fire station will use **Class 02**. All class-rated properties located farther than 1000 feet of a fire hydrant or water supply suction point and within 5 miles of a fire station will use **Class 2X**.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. The Insurance Services Office will be notified of our approval of their recommendation and the 06/01/2017 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 676-6784.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

Jesse James Williams
