Photo and outline

**SOUTHBOUND LANES IN PROSPER OPENED** -- Commuters traveling north and south along the North Dallas Parkway north of US 380 will no longer have to share the access road on the east side of the planned extension of the North Dallas Tollway. The southbound access road, on the west side of the planned Tollway extension from FM 428 to US 380, is now open for traffic. Collin County Commissioner Susan Fletcher (holding scissors) was joined by Prosper Mayor Ray Smith (holding the ribbon on the commissioner's right side) and Celina Mayor Sean Terry (holding the ribbon on the commissioner's left side) along with Prosper Town Manager Harlan Jefferson (holding the ribbon on the far left) and Celina City Manager Jason Laumer (holding the ribbon on the far right). Officials from both communities, the North Texas Tollway Authority, Halff & Associates, and Mario Sinacola and Sons joined in the opening. The two-lane concrete paved road carrying southbound traffic replaces the shared lane on the east side, which will now only carry northbound traffic. Prosper Police are assisting drivers as they navigate the new lanes and will remain in place for as long as necessary.

**ABOUT THE TOWN OF PROSPER** – The Town of Prosper is a fast-growing suburb with small town charm, located 30 miles north of Dallas at the crossroads of U.S. 380, Preston Road and the Dallas North Tollway in Collin and Denton Counties. Prosper sits on 27 square miles and is home to more than 25,000 people. A home-rule municipality, governed by a council-manager form of government, the town has full-time fire and police departments, including its own dispatch service. As the Town grows to its projected build-out population of 70,000 residents, Prosper's vision is to remain a "Place Where Everyone Matters."
