Administrative offices will close on Dec. 24 and Christmas Day, Dec. 25.

Similarly, offices will close on New Years Day, Jan. 1.

Change in service provider coming soon

Community Waste Disposal (CWD) will begin providing solid waste, recycling and bulk services on Feb. 1.

Information regarding cart swap, pick-up days and other new features will be coming soon. Watch Facebook, Town website, Resident Update and the utility bill for information.

Some new and enhanced features include: no scheduling for monthly bulk services, yard waste will be picked up on your service day (must be in a paper bag), and a special Saturday bulk drop.

Also, the annual Spring Clean-up Event will remain, this year scheduled for March 30.

Winter Averaging

The water you use between now and Feb. 15 is measured to calculate your sewer charges for next year.

Fix any leaks, minimize your outdoor irrigation and don't waste water!

Christmas Tree drop-off

The Town is providing a central drop-off point for Christmas trees beginning Monday, Dec. 31 and lasting through Sunday, Jan. 13.

The unattended drop-off center is located in the parking area on the south side of First St. immediately west of the Central Fire Station and will be open 24 hours a day.

As always, trees must be cleared of any lights, ornaments, decorations, tinsel, garland and any other non-organic material.
