I hereby certify that I have the authority to make the necessary application and that all information provided on this application is correct to the best of my knowledge. The project described herein will be built in accordance with the plans and specifications submitted at time of application. All work will comply with the most recently adopted International Building Codes and all other applicable state and local laws, ordinances and regulations. **Permits expire 90 days after date of issuance. Permits are non-transferrable. Please see Ordinance No. 06-109 for construction and other requirements. There shall be no physical connection between water from wells and the Town of Prosper's water mains. An RPZ shall be installed on the domestic water service immediately after the water meter and shall be protected from freezing.**
